It examines whether and to what extent jurisdiction and arbitration clauses are enforceable in each jurisdiction and how the situation might be affected when the Rotterdam Rules enter into force - including whether each state is likely to opt-in the chapters on jurisdiction and arbitration. Each of the panelists will provide a short history of how their country has viewed jurisdiction and arbitration clauses, how currently the legislator and the courts in that country are viewing jurisdiction and arbitration clause and they will handle these clauses in the future. The panelists are chosen taking into account of geographic diversity and different legal tradition (common law/civil law).</p>
--------------------	--	---	---

			<p>After each panelist has had the opportunity to present, Michael Sturley will moderate a discussion among the panelists with respect to the issues that may be raised in their speech.</p> <p>Chairs: Susan M Dorgan and Tomotaka Fujita National and Regional Reports Ricardo Rozas - Chile V.J.
